Sir:

This response is timely filed in response to the Notification of Non-Compliant Appeal Brief dated December 1, 2006. Appellants respectfully submit that each of 3 grounds for rejection is treated under separate heading and that the grounds for rejection were identified as applying to groups of claims. Nevertheless, Appellants submit the amended Appeal Brief in which the three grounds for rejection are enumerated in Section VII and numerically identified in the separate headers provided in the argument section. Furthermore, for each of the grounds argued under separate headers, a listing of the claims argued as a group has been added.

It is respectfully submitted that the Appeal brief as amended more clearly complies with 37 CFR 41.37(c)(1)(vii).

Please charge any fees associated with the submission of this paper to Deposit Account Number 033975. The Commissioner for Patents is also authorized to credit any over payments to the above-referenced Deposit Account.

Respectfully submitted,
